## **RATING**

The property has various office options with individual rating. Each rating is currently lower than the average.

There are options within the current rating rules to potentially reduce the rates costs on these offices.

The Landlord would be happy to discuss these options with any prospective tenant, in order to help get the very best out of what the offices have to offer.

## **SAVINGS**

In an aim to be both innovative and provide a better working relationship with each tenant, this landlord has put a plan in place to reduce the overall business running costs.

This plan includes

- Permanently low service charges.

- More services brought under the title of service charge free of charge.
- Additional work already carried out to reduce heating costs (including modern secondary glazing).
- More control given over your individual running costs
- Standard lease to negate the need for legal costs (if a prospective tenant wishes to choose this option)

## **LEASE**

The property is available to let upon a new effective full repairing (with competitive service charge rates) and insuring lease for a term to be agreed and incorporating upwards only rent reviews.
